

19 x 19

The image shows a 19x19 grid visualization. A legend at the bottom indicates that dark gray represents the minimum value (0.00) and light gray represents the maximum value (1.00). The grid features a dark gray staircase pattern in the top-left corner and a dark gray L-shaped pattern along the bottom and left edges. The rest of the grid is light gray.

- Min value = 0.00
- Max value = 1.00
